

MPD2 2" Mobile Dot-matrix Printer

MPD2

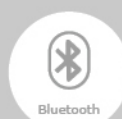

- Dot matrix printing technology
- Permanent printing effect
- Ultra light, compact and portable
- Auto sleep mode and wake up mode, increase the battery lasting time
- Paper out alert
- Black mark detection, automatically collate copies printing
- Bluetooth communication guarantee the smooth communication
- Support client-side firmware upgrade

Specification

Item		Parameter
Printing	Printing method	Dot-matrix printing
	Resolution	2.5dots/mm
	Printing speed	5.5mm/s, 1.2lines/s(12 dot-width fonts)
	Valid printing width	57.5± 0.5mm
	Interface	RS232, USB, Bluetooth 4.0+EDR
Power Saving	Sleep mode	Yes
Character Set	Font	6*12/8*16/12*12/16*16/
	Alphanumeric	95
	Expanded character	128*30
	International character	15
Graphics		Support bitmap printing with different density and user defined bitmap printing (Max. 64K for per bitmap, and Max. 256K for total)
Detection	Sensor	Paper out detection
Power Supply	Charger	AC100-250V/DC 12V 1.0A
	Battery	7.4V 830mAh rechargeable Li-ion battery

Paper	Paper type	Roll paper
	Paper width	Max.58mm
	Paper thickness	0.06-0.085mm
	Paper roll diameter	40 mm Max.
	Black mark detection	Yes
Physical Characteristics	Copy capability	One original and one copy
	Paper loading	Easy loading
	Working condition	-10°C~50°C, 20%~85%RH
	Storage condition	-20°C~70°C, 5%~95%RH
	Dimension	106*96*45(L*W*H)mm
Accessories	Weight	257g(without paper roll)
Reliability		RS232 cable
Ribbon Cassettes	Print head	100 million characters
Software		Black life: 1,000,000 characters
	Emulation	ESC/POS
	Driver	Windows 2000/XP/Vista/7/8/POSReady,Linux
	SDK	WinCE, Win Mobile, Android
